

Keller Senior Activity Center EXPANSION PETITION

TO The Keller City Council and Parks and Recreation:

WHEREAS we the members do the Keller Senior Activity Center would like you to consider the fact that the Center has outgrown its building and that we are in need of more space, would like you to consider expanding the facility! We are overcrowded, meaning that there maybe 3 things going on at one time in one room and storage is at a premium! We would appreciate your consideration in expanding this Great Facility! We love what you have provided, but more room, storage and parking is greatly needed!

Name (printed)	Address (printed)	Signature
