

The City of Keller Mike Sexson Memorial Tree Program

The City of Keller Mike Sexson Memorial Tree Program is sponsored by the City's Parks and Recreation Department. By donating a tree to this special program, you can help beautify our city parks while at the same time celebrating life.

Why plant a tree?

Plant a Tree in Tribute Celebrate a birth, a wedding, an anniversary or honor the memory of a loved one through the Mike Sexson Memorial Tree Program.

Perfect as a Family Tree Plant a tree to honor the birth of a child, to serve as a symbol of a growing family. Like the tree, the family spreads its roots as it branches out, preparing a strong base for future generations.

Perfect as a Monument The donation of a tree is a wonderful testimonial to a life well lived. Family and friends will have a living monument for a loved one, which will also provide beauty, shade and landscaping for parks.

Your tree may be planted at any eligible City of Keller park during one of our bi-annual plantings (please see list). Park eligibility is determined based on irrigation water availability. Not all areas of the parks are irrigated. Staff will work with you regarding the type of tree and the adequate location within the park of your choice. After your tree is planted, the Parks Department will maintain your tree. However, please remember a tree is a living organism, and due to factors such as insects, disease, or other occurrences, the city cannot guarantee a tree will survive indefinitely in any location. If the tree develops a disease or is damaged, it may be removed at the Park Department's discretion. If a tree dies within two years of planting, the city will replace the tree at no cost to the donor.

With your donation, you will receive a Living Tree. Please contact our office for pricing information. You may also purchase an engraved plaque, which can be installed at the base of your tree, at your own expense. The city will not replace lost, stolen, or damaged plaques. Verbiage for your plaque must be approved by the Parks Department.
