Zoning Change

A narrative statement that includes:

- Current and proposed zoning or use
- A statement of the need for the proposed zoning change
- Compatibility of proposed zoning with surrounding zoning and land uses.
- Descriptions that show in what ways the proposal is consistent with the City's Master Plan.

You may also choose to address the decision criteria on with the Planning and Zoning Commission and City Council will base their decision.

- 1) Whether the uses permitted by the proposed change will be appropriate in the immediate area concerned and their relationship to the general area and the City as a whole, and in compliance with the Future Land Use Plan.
- 2) Whether the proposed change is in accord with any existing or proposed plans for providing streets, water supply, sanitary sewers, and other utilities to the area, and shall note the findings.
- 3) The amount of vacant land currently classified for similar development in the vicinity and elsewhere in the City, and any special circumstances which may make a substantial part of such vacant land unavailable for development.
- 4) The recent rate at which land is being developed in the same zoning classification as the request, particularly in the vicinity of the proposed change.
- 5) How other areas designated for similar development will be, or are unlikely to be, affected if the proposed amendment is approved.
- 6) Any other factors which will substantially affect the health, safety, morals, or general welfare.

A metes and bounds description of the property to be rezoned sealed by a surveyor.

A scaled exhibit showing the subject property with metes and bounds labels and important physical features such as existing structures, topography, roadways, or creeks.
